Jump, Close Your Eyes

Tell me you had bad dreams last night 'Cause you were rolling in your sleep Tell me you hate those bright street lights Sometimes the shadows give you the creeps

Please
Close your eyes
Please
If you dont want to say
Please
Close your eyes
Please
What keeps you awake

Tell me the air up here's too thin You can't feel the wind when it moves Tell me the stars are made of tin And that they're bangin on the roof

Please Close your eyes Please If you dont want to say Please Close your eyes Please What keeps you awake

The sun will rise
And keep your mind at ease
So close your eyes
Please
Close your eyes
Please
IF you dont want to say
Please
Close your eyes
Please
Please
Close your eyes
Please What keeps you awake
