

# Jump Little Children, Say Goodnight

I heard you late last night  
You know you talk too much  
Not everything comes through these walls  
But just enough  
To hear the things that i don't want to hear

I heard you late last night  
I wish I had my distance  
I hear you crash around  
And say that no one listens  
I wish that i would hear you say goodnight

And nobody cares  
Especially me  
But I can't help myself  
As I fall asleep  
To turn out the lights  
Turn back the sheets  
Say goodnight and turn me on

Turn out the lights  
Turn back the sheets  
Turn me on

I heard you late last night  
You were in such a hurry  
Not a sound behind these walls  
Makes me worry  
I wish that I would hear you say goodnight

And nobody cares  
Especially me  
But I can't help myself  
As I fall asleep  
To Turn out the lights  
Turn out the lights  
Turn back the sheets  
Say goodnight and turn me on  
Say goodnight

And nobody cares  
Expecially me  
But I can't help myself  
As I fall asleep  
To turn out the lights  
Turn back the sheets  
Say goodnight and turn me on

Turn out the lights  
Turn back the sheets  
Turn me on
