Jump, Not Today

I'm sure someone would hear me if I scream.
nah,nah,nah,nah,nah,nah,nah
I'm sure someone would notice if I seemed...
nah,nah,nah,nah,nah,nah,nah
Out of touch or hard to find.
But not today.

I don't mind being lonely once in a while.
nah,nah,nah,nah,nah,nah,nah
But not today.
I'm sure someone would hear me across the miles
nah,nah,nah,nah,nah,nah,nah
If I'm outta touch or way behind.
But not today.

chorus:
Not today. On any other day, but not today.
Everyone smiles away.
Not today. On any other day, but not today.
Everyone is miles away.

I've never really been that hard to find.
nah,nah,nah,nah,nah,nah,nah
But not today.
I'm sure that I could keep it off my mind...
nah,nah,nah,nah,nah,nah,nah
If I'm out of touch or out of mind.
But not today.

chorus

Hey, hey!
On any other day.
Hey, hey!
On any other day.
Hey, hey!
On any other day.
Hey, hey!
But not today.
On any other day
But not today.
Everyone is miles away.
