Jump, Say Goodnight

I heard you late last night
You know you talk too much
Not everything comes through these walls
But just enough
To hear the things that i don't want to hear

I heard you late last night
I wish I had my distance
I hear you crash around
And say that no one listens
I wish that i would hear you say goodnight

And nobody cares
Especially me
But I can't help myself
As I fall asleep
To turn out the lights
Turn back the sheets
Say goodnight and turn me on

Turn out the lights
Turn back the sheets
Turn me on

I heard you late last night
You were in such a hurry
Not a sound behind these walls
Makes me worry
I wish that I would hear you say goodnight

And nobody cares
Especially me
But I can't help myself
As I fall asleep
To Turn out the lights
Turn out the lights
Turn back the sheets
Say goodnight and turn me on
Say goodnight

And nobody cares
Expecially me
But I can't help myself
As I fall asleep
To turn out the lights
Turn back the sheets
Say goodnight and turn me on

Turn out the lights
Turn back the sheets
Turn me on
