

Jump5, Joyride

(chorus)

to be free come with me, its a joyride
love's a sweet remedy, its a joyride
follow me you will see its alright
we'll fly so high on this joyride

you see me and you wonder how I got like this
and maybe if you had it all you could comprehend
you say that life's a trip, you cant take anymore
so come with me, you will see
the very thing your searching for
life is a joyous ride if you want it to be

I'll take you to the other side, and maybe you will see
leave all the pain behind, there's a greater love
eternity's no mystery, you'll find the hope your dreaming of

there's so much more just take it from me
you will see
its the answer its your destiny
(chorus)

I know that you feel alone like nobody cares
you don't know which way to go but the answer's right there
come on and free your soul, leave the past behind
just take my hand, you'll understand that now's the time to fly so high

there's so much more just take it from me
you will see
turn your dreams into reality

(chorus)
