

# Jump5, Joyride

(chorus)

to be free come with me, its a joyride  
love's a sweet remedy, its a joyride  
follow me you will see its alright  
we'll fly so high on this joyride

you see me and you wonder how I got like this  
and maybe if you had it all you could comprehend  
you say that life's a trip, you cant take anymore  
so come with me, you will see  
the very thing your searching for  
life is a joyous ride if you want it to be

I'll take you to the other side, and maybe you will see  
leave all the pain behind, there's a greater love  
eternity's no mystery, you'll find the hope your dreaming of

there's so much more just take it from me  
you will see  
its the answer its your destiny  
(chorus)

I know that you feel alone like nobody cares  
you don't know which way to go but the answer's right there  
come on and free your soul, leave the past behind  
just take my hand, you'll understand that now's the time to fly so high

there's so much more just take it from me  
you will see  
turn your dreams into reality

(chorus)
