

# Jump5, Love Ya Too Much

I couldn't sleep tonight  
'Cause you were on my mind  
We've been friends so long  
I treated you wrong, that's not right  
I said some crazy things  
Words I did not mean  
Can I take back the lies  
Can I apologize  
[Chorus]  
I love ya too much  
I love ya just the way you are  
And I love ya too much  
To ever let you down  
And I love ya too much  
You know I wanna wrap my heart around you  
Love ya too much  
To ever let you go  
I want you to know  
I've had good friends before  
But none have loved me more  
I can't remember who was ever as true as you are  
I get emotional  
'Cause I'm an ocean full  
Of dreams that we can share and hope to get us there  
[Chorus]  
On and on and on  
Together we go on  
So far now from where we belong  
We won't slow down, won't stop now  
Givin' up won't do  
Take a chance on me  
I'll take my chances on you  
[Chorus]
