

Jump5, Love Ya Too Much

I couldn't sleep tonight
'Cause you were on my mind
We've been friends so long
I treated you wrong, that's not right
I said some crazy things
Words I did not mean
Can I take back the lies
Can I apologize
[Chorus]
I love ya too much
I love ya just the way you are
And I love ya too much
To ever let you down
And I love ya too much
You know I wanna wrap my heart around you
Love ya too much
To ever let you go
I want you to know
I've had good friends before
But none have loved me more
I can't remember who was ever as true as you are
I get emotional
'Cause I'm an ocean full
Of dreams that we can share and hope to get us there
[Chorus]
On and on and on
Together we go on
So far now from where we belong
We won't slow down, won't stop now
Givin' up won't do
Take a chance on me
I'll take my chances on you
[Chorus]
