Jump5, Summer Song

(chorus)
It's a cool break, u kno i cant wait
evrydays like a sunday and we're
hearing the radio playing
take the long way
under the sun to our cool summer song

sun is rising and the day is here we'll celebrate so don't be late, the time is near grab your friends and like a rocket we're there to where the party charges up every year

where we laugh forever taste the perfect weather everyone together pack your bags for the memories we make so lets jet out today

(chorus)

cruising underneath a cloudless sky when we feel the sand, we know we've arrived everyday and every wave's a sweet ride we will take out time until the tide says goodbye

we will all remember these days are just like heaven in our minds we fly there pack ur bags for the memories we make so lets jet out today

(chorus)
