

Jumpsteady, Sammy Song

Samanthy

What?

Whatchu doin'?

I'm doin, um, playin with my friend Samantha

Oh, what are you doin -- Samantha?

Samantha S.

Oh ok, what are you guys doin'?

We're playin with sidewalk chalk

Oh really?

Mmhmm

Alotta people been talkin about you, Samantha

What they say?

They said they like your family song a lot, they like your rap on there.

Any ya know what else they been sayin'?

What?

They say they wanna hear more of you.

Me?

You think you could bust a rap real quick?

Yup!

Ok that sounds good

Yo Samantha I heard that they like your flow

And when you're rappin on stage, you steal the show

Why dontcha bust it one time with your funky rhyme

And show 'em that your rap skills truly shine

I'm a young boniqua bustin a rhyme

I'm like Mary Kate and Ashley, I'm one of a kind

If you say "Who the heck is that?"

I say "Who the heck are you?"

I wanna be wishin you could do what I do

I'm bilingual, I hope you can understand my flow

"De quero mucho de mund bueso"

Or if you're an alien from around the way,

"Zada zee zada zoo zada zay"

And to all the nice people here on Earth

You're diamonds to me cuz that's what you're worth

And to all the mean people across the land

Talk to the hand cuz you just don't understand

Yo Samantha I heard that they like your flow

And that you're crazy live from your head to toe

Why don't ya bust it two times with your funky rhyme

And tell em all how you like to spend your time

I like to play with Barbie and Polly Pocket

I watch the adventures of Ash and Team Rocket

Bike rides and rollerblades and that's what I do

Because I have more energy than Pikachu

But most of all I like to chill with those I love

I love my family more than the stars above

More than a million trips to the sun and back

More than a million galaxies and that's a fact

And my animals you see are my friends to me

That's Shitzu, Stinky, Fisher, and Lollie

And together we love the world far and wide

Cuz anything's possible if it's in your mind

Alright Samantha, you came correct

But it's gettin late and it's time to jet

Alright daddy, I know it's time to go

But I wanna say "Peace!" to all the juggalos!

And to let 'em know that when life gets tough

Just think about candy and all the good stuff

But to keep your true friends as close as you can

They're more important than all the candy in the land
