

Jung Kook, Somebody

Same back roads
Switching lanes
My mind is racing
I can drive myself insane

Winter's cold
And summer's strange
Don't turn around and act like you don't feel the same

Oh, oh, we both know
Say it again, say it again
Like oh, oh, it's time to let go

When you go out in the night
You're under the lights
Oh, I hoped you'd find somebody, hoped you'd find
Somebody to ride, somebody to die
Oh, I hoped you'd find somebody
I hope you know that somebody ain't me
Hope you know that somebody ain't me
Hope you know that somebody ain't me
Hope you know that somebody ain't me
Hope you know that somebody ain't me

Came to terms
Things have changed
My heart can sense it, I don't need you to explain
Pull the cord, I split the chain
There's so much damage going through the motions makes

Oh, oh, we both know
Say it again, say it again
Like oh, oh, it's time to let go

When you go out in the night
You're under the lights
Oh, I hoped you'd find somebody, hoped you'd find
Somebody to ride, somebody to die
Oh, I hoped you'd find somebody
I hope you know that somebody ain't me
Hope you know that somebody ain't me
Hope you know that somebody ain't me
Hope you know that somebody ain't me
Hope you know that somebody ain't me
