

# Jung Kook, Yes Or No

This ain't another love song, baby  
It's my way of putting feelers out  
All the traffic in my head's going crazy  
I'm gonna trust my heart right now

And if it's better to bet on us, then I'll double down  
And if we end up in bed and I put the covers out  
And if I'm wrong, I'll just bury my head deep underground  
I gotta know

Are you feeling the rush?  
If so, then I think I know what's going on  
And are we falling in love?  
Say yes or no, yes or no, yes or no

Are you thinking 'bout us?  
If so, then I think I know what's going on  
And are we falling in love?  
Say yes or no, yes or no, yes or no

Everybody in this club so faded  
I'm trippin' over getting lost on you  
If we forever started out as strangers  
I think my ever after just came true  
If you could see what I see, then let's see what it's about  
We will go higher and higher, but we're not looking down  
If it's a dream, there's no telling when I'll be coming 'round  
And I gotta know

Are you feeling the rush?  
If so, then I think I know what's going on  
And are we falling in love?  
Say yes or no, yes or no, yes or no

Are you thinking 'bout us?  
If so, then I think I know what's going on  
And are we falling in love?  
Say yes or no, yes or no, yes or no

Something about you  
Do you feel the way I do?  
There's magic in the room  
Tell me, do you feel it too?  
Something about you  
Do you feel the way I do?  
There's magic in the room  
Tell me what we gonna do?

Are you feeling the rush?  
If so, then I think I know what's going on  
And are we falling in love?  
Say yes or no, yes or no, yes or no

Are you thinking 'bout us?  
If so, then I think I know what's going on  
And are we falling in love?  
Say yes or no, yes or no, yes or no
