## Jungle Rot, Butchering Death

Blood running through my veins shot of dope to my brain cracking down your fucking spine struggling through the endless lie

never seems to look the same evil in his eyes deceiving you soaked with rage butchering death

after death we will awake and arise from the depths of hell rotten zombies out for blood butchering and mutilating bodies

psychotic insane butchery tasting your blood from me

never seems to look the same evil in his eyes

deceiving you soaked with rage butchering death

evil that comes from within controlling you I live on your sins

gaining strength from all your lies I can see through your demise

I feed on violence I hear your screaming I see your death through your eyes

I live hate on violence you're screaming

I'm insane in a rage await to see how you will die I crave your blood the innocent cry I'll tell you things you don't want to hear when you think of me

## you'll think of fear

I feed on violence I hear your screaming I see your death through your eyes I live hate on violence you're screaming

Blood running through my veins shot of dope to my brain cracking down your fucking spine struggling through the endless lie
