

# Junior Andre, Only One

Wanna ride, ride, ride to the ocean  
Wanna show you time and devotion  
Ain't nobody else just you, my love (My love)  
Take you high, high, high till we're floating  
You're my peace of mind, pure emotion  
Ain't nobody else just you, my love (My love)

There you go  
Run up my mind  
All day, all night  
All night  
Every time I close my eyes  
You're there, you go  
Run up my mind  
I can't deny, oh, I  
You're the only one I wanna know

My one tonight  
You're the only one I wanna know  
Only one  
You're the only one I wanna know  
My one tonight  
You're the only one I wanna know  
Only one  
(You're the only one I wanna know)

We can fly way, way, up above this  
All it takes, one dance, baby, one kiss  
Ain't nobody else just you, my love (My love)  
So tonight, uh-uh, leave you breathless  
Put it all on me, girl, you're reckless (Reckless)  
Ain't nobody else just you, my love, my love (My love)

There you go  
Run up my mind  
All day, all night  
All night (All night)  
Every time I close my eyes  
You're there, you go (You go)  
Run up my mind  
I can't deny, oh, I

You're the only one I wanna know  
My one tonight  
You're the only one I wanna know  
Only one  
You're the only one I wanna know  
My one tonight  
You're the only one I wanna know  
Only one  
(You're the only one I wanna know)  
(Oh-oh)  
My one tonight  
You're the only one I wanna know (You're the only one, oh)  
Only one  
You're the only one I wanna know  
(Oh-oh)  
My one tonight  
You're the only one I wanna know  
Only one (My only one now)  
(You're the only one I wanna know)  
[Outro]  
Only one  
Only one now (Mm)
