

Junior Jack, Dare me

Ref : Baby, make your move, step across the line,
Touch me one more time, come on, dare me!
I wanna take you on, I know I can't lose,
I'll be loving you if you just dare me...

1. I've got a chip on my shoulder with your name on it.
So don't just stand there foolin' if you don't want it.
I say you're either a lover or you are a liar.
So don't you push too hard, you're playin' with fire.

Ref : Baby, make your move, step across the line,
Touch me one more time, come on, dare me!
I wanna take you on, I know I can't lose,
I'll be loving you if you just dare me...

2. Looks like you're lookin' for trouble, and I'd say you found it.
You'll have to come right through me, there's no way around it .
I hope that lean hungry look means what it's saying.
'Cause I'm just sittin' on ready, ready and waiting.

Ref : Baby, make your move, step across the line,
Touch me one more time, come on, dare me!
I wanna take you on, I know I can't lose,
I'll be loving you if you just dare me...
