

# Junior Senior, Happy Rap

We're going one step forward, two steps back  
One step forward, two steps back  
We're going one step forward, two steps back  
Four steps forward, back on track!  
Whoo! Back on track!

We're going one step forward, two steps back  
One step forward, two steps back  
We're going one step forward, two steps back  
Four steps forward, back on track!  
Woo! Yeah! No! Oo! Ow!

My spelling is bad 'cause I'm so street  
And we once made a song could move your feet  
But just pass the beat like you pass the meat  
Oo! And it's straight from the concrete  
From the concrete, from the concrete  
The King Kong concrete!

Been running up and down  
Halls and corridors  
From ugly ducklings straight to dark whores  
Trying to come up with the perfect metaphors  
I will show you mine, if you show me your's  
If you show me your's  
If you show me your's  
If you show me your's

Still making up the words as we go along  
But if we just stick together we can't go wrong  
But if you're sitting there thinking this ain't the bomb  
Give us a minute and we'll wrap up this song  
Wrap up this song  
Wrap up this song

Tryin' to make some sense  
In a world that has no ends  
Sing my baby, sweet baby  
Been tryin' to make some sense  
In a world that has no ends  
Sing my baby, sweet baby

Hey! Hey!  
Whoo! Whoo!  
Yeah! Yeah!  
Yay! Whoo!

We're going one step forward, two steps back  
One step forward, two steps back  
We're going one step forward, two steps back  
Four steps forward, back on track!

And if it ain't broke, don't fix it!  
If it ain't broke, don't fix it!  
Yeah if it ain't broke, don't fix it!  
And if you can't fix it, don't break it!  
Ow!  
Don't break it! Don't break it!  
Don't break it! Uh don't break it!

Tryin' to make some sense  
In a world that has no ends  
Sing my baby, sweet baby  
We're going one step forward, two steps back

One step forward, two steps back  
Baby, sweet baby

I hear a bell ringing and a voice singing  
Somewhere in my head  
And it feels so good to know at least my brain isn't dead  
Yeah, cuz suddenly I remembered  
What I forgot to forget  
That I've been thinking a lot lately about swimming pools  
Cuz swimming in one would be really cool  
Thinking a lot lately about swimming pools  
Cuz swimming in one would be really cool  
Yee!
