

# Junior Senior, No No No's

Oh I won't fall in love  
No I won't fall in love  
I won't fall in love  
No I won't fall in love  
I won't fall in love  
No I won't fall in love

You wanna go but your mother tells you no  
She was shunned so many years ago  
And she doesn't  
No she doesn't need to know

No I won't fall in love

So  
You sneak out the door  
And you got it all planned  
To get backstage with the band  
And you don't need no  
You don't need no helping hand  
Cuz you're into the boys in a rock n' roll band

Oh I won't fall in love  
I won't fall in love (I won't fall in love)  
No I won't fall in love (No no)  
I won't fall in love (I won't fall in love)  
No I won't fall in love

Your heart is beating  
And it's beating fast  
Cuz the band's about to play at last  
And I just took that  
You don't get that backstage pass  
He'll take you to bed or the backseat of his car  
Cuz the motel's way too far  
And then he'll go right back  
He'll go right back to the bar  
Cuz the night's not over for a rock n' roll star

No I won't fall in love (I said a no no no)  
I won't fall in love (I won't fall in love)  
No I won't fall in love  
But you're a daddy's girl  
One day your gonna runaway  
I get it, woah  
With your daddy's pearl  
Yeah one day your gonna runaway  
I get it, woah  
With your daddy's pearl!  
One day your gonna runaway

A run run run run run run run run run run run run run run run

Oh I won't fall in love (A no, a no)  
I won't fall in love (Hey, I won't fall in love)  
No I won't fall in love (No no no no no)  
I won't fall in love (No no, yes!)

Oh! Ow!

(Guitar Solo)

I won't fall in love  
I won't fall in love, love

I won't fall in love, love  
I won't fall in love, love  
I won't fall in love, love  
I won't fall in love, love
