

Junior Senior, White Trash

We wanna be like Nancy and Lee
We wanna sing like K-k-kym and Myleene
We wanna wear the same as Sonny and Cher
And show we got balls like the New York Dolls
(repeat)

I wanna look good that ain't a bad thing
Hang on man I'm a little girl
I'm white trash, I stick to my own
Blub-a-rub a tit on the Letterman Show

Want to be white trash, want to be white trash
Want to be white trash, want to be white trash
Oomamamowmowooma White trash
I ain't got no cash, I ain't got no cash
And if I get some money I'll still be a white trash, yeah!

We wanna move like Rusted Crew
We wanna play like Stevie and Ray
Underground trance like they do in France
And bad to the bone like Joey Ramone

We wanna move like Rusted (woohoo!) Crew
We wanna play like (woowoowoo!) Stevie and Ray
Underground trance like they do (woohoo!) in France
And bad to the bone like (woowoowoo!) Joey Ramone

I wanna be cool and drop outta school (woohoo!)
I wanna take brunt but not the door (woowoowoowoo!) knockin'
I can stand myths but I can't stand knockin' (woohoo!)
All I think about is money and the other thing

Want to be white trash, want to be white trash
Want to be white trash, want to be white trash
Oomamamowmowooma white trash
I ain't got no cash, I ain't got no cash
And if I get some money I'll still be a white trash, yeah!
(repeatx3)
