

Junkie XL, Future In Computer Hell

Life is hard,
life is short,
pained by law,
like Billy Club.
Scatter, scam,
here's the man,
laws to bend that
hurt like hell.
Zig zag,
check attack,
the joke is back and
hurts like hell.
Hear the call,
run and fall,
taking tolls, that
hurt like hell.
Scatter, scam,
here's the man,
laws to bend that
hurt like hell.
Cautious,
ambitious,
when the richest max to the fullest.
Be the coolest,
Mr. Nuisance.
Motor cruisin',
limo usin',
tax rate abusin',
counterfeit usin',
snake attack,
imposter,
"dealin' with the roster".
Two face
Harvey Dent
cointosser
gets the hunger
with the sensation monger
Guess who stays younger?
