

# Junkie XL, Underachievers

Start act  
human race  
glance attract.  
Give a shot  
life's a rut  
experience in a long shot.  
Big strut,  
big strut,  
big fun,  
what you got  
they throw some mud  
leap strut  
move hubbub  
something that you can't dodge  
dodge, avoid,  
unemployed,  
how you gonna fill the void?  
Void gap it's you that  
tries to step,  
step by step,  
metrolike,  
metrolike.  
Pep choice,  
it's your choice  
to make some noise toys  
cool boys watch the mind,  
voice,  
voice tone,  
stand alone,  
how did I land on this  
zone, space  
one of these days,  
opportunity knocks, go chase  
be an ace,  
race, craze,  
speeds fades nowadays,  
feel pissed,  
get dismissed,  
your favorite wish gets dismissed  
tongue twist,  
throw a fit  
fix a "hit" like the other's did  
determine wit,  
takes up,  
breaks up,  
no job is tip top.  
Ad men  
plan again.  
Things get out of hand man.  
Oops up behind your head,  
can you see who back stabs?  
Corporate talk  
make's steps  
hand clap  
money puts you on the right track  
nothing is gone last fad  
one day long another passed.  
Billboard list take a dip,  
the record slime he needs a bit,  
play hip,  
get tripped,  
always knew you don't fit,  
you know,  
I know,

who's foolin who  
but you don't go.  
Get shoved  
feel the heat  
someone's gonna take a seat  
get cropped get beat  
find your ass down on a street  
sour mood,  
substitute,  
maybe he's going for the looth.  
All ideas,  
see no ears,  
tight suit,  
fat neck  
just peer...  
out of here  
need just more  
a true help to your career  
nothing's clear  
in the pot,  
the man who stirs ownes a lot  
all I've got,  
battered soul  
payed a toll.  
So what will unfold?  
Ad man plans again,  
things get out of hand man!
