

Just Jack, Let`s get really honest

Don't take me for a fool
Because I'm not the foolish kind
Well if you had a sledge hammer
You still couldn't break my mind
Well if I'm honest with myself baby
I've gotta say
That you've got something about you
But please don't think for a minute
Lady
I couldn't get along fine without you
Chorus:
In my life
Oh yah
She was in my life
And now she's out of m life
Nothing but Strife
So I don't mind
Don't take me for a fool
Because I'm not that kind of man
There are rules we try to follow
But i guess you would not understnad
Well if I'm honest with myself baby
I've gotta say
That you've got something about you
But please don't think for a minute
Lady
I couldn't get along fine without you
Chorus
(repeat)
Everything has to end
I guess this was no exception
We were oing to break connection
