

# Just Jinger, Her Story

Send all the men  
Send all we have  
Send all of them  
'Cos they're all we have

But, please come home  
Don't dare die  
Say all is well  
'Cos I heard them say  
That they dropped the shell  
It went off today

But, please come home  
Don't dare die  
Please come home  
Don't dare die

Always hangin' on my mind  
Try to keep inside  
Always hangin' on my mind  
You said you had to go  
Where to you don't know  
I know you had to go

But, please come home  
Don't dare die  
Please come home  
Don't dare die

Say all is well...
