

# Just Jinger, Like You Madly

You look to me like something new  
And I wish that I could talk to you  
But you seem tied up  
So I'll leave you  
To make your mind up  
Is it me or you

I like you madly, like you madly  
All the same  
I like you madly, like you madly  
All the same

I want you to take my mind to someplace new  
Perhaps not now I'm not meant for you  
Perhaps in time you'll find a way  
That I can call you and see you again

I like you madly, like you madly  
All the same  
I like you madly, like you madly  
All the same

Are you scared to look inside?  
Are you scared to read my mind?  
Are you scared of what you'll find?  
Don't be scared, 'cos I'm alright  
I'm alright

I like you madly, like you madly  
All the same  
I like you madly, like you madly  
All the same
