

Just Jinger, Table Talk

If Table Mountain could talk
What would she whisper in the Lions (Head) ear?
What kind of Signal (Hill) would she give, to the hill?

And if she spoke spoke loud enough
Could she perhaps get through to Chapman (Peak)?
Or did he lose his peak, years ago, years ago?

Just imagine, La da da da da, la da da da da da da
This is Table Talk
La da da da da, la da da da da da da
This is Table Talk

If Table Mountain could sing
Do you think she'd be into Elvis?
I have a feeling she's always been into rock of some sorts

And if our mountain could think
Do you think she'd be into Plato?
Or did she give up long ago, and let the Cape win her Point

What's the point?
Just imagine, La da da da da, la da da da da da da
This is Table Talk
La da da da da, la da da da da da da
It's on the Table!

If Table Mountain could say anything,
What would she say?
If she could only say
What would she say?
