

Just Off Turner, Already Miss You

Many days have passed since I saw you last
I've gone off to fight the war
You can write me letters if you want
Just don't send them to the front line
Cuz you won't find me there anymore

And I don't understand
Why I can't work it out
Or wait for something new

I guess I already miss you
Guess I already miss you
I guess I already miss you
Guess I already miss you

Can't get you off my mind
I think about you all the time
And I wonder if you can say the same
Ooooooh

And if you're thinking of moving on
Then I suggest you do it while I'm gone
Cuz I don't want to play that game

And I don't understand
Why I can't work it out
Or wait for something new

I guess I already miss you
Guess I already miss you
I guess I already miss you
Guess I already miss you

Oh, but if you listen in You know that I'm missing you so
Why don't you turn around and come back home?

I guess I already miss you
Guess I already miss you
I guess I already miss you
Guess I already miss you
