

Just Off Turner, Don't Have To Do It Alone

You were kissed by the flame
And you're quenched by the same
Don't buy into the game
It'll play you until you die

And your wounds are still sore
They won't hurt anymore
When you're pinned to the floor
Waiting for help to arrive

And you want to start again
But the memories dig in
Youve got this far on your own

But you dont have to do it alone
No, you dont have to do it alone, oh no.

You were kissed by the flame
And you're quenched by the same
Don't buy into the game
It'll play you until you die

So whats it gonna be?
Go with him or stay with me?
Why cant you see its a lie?

And you want to start again
But the memories dig in
Youve got this far on your own

But you dont have to do it alone
No, you dont have to do it alone, oh no.

No, you dont have to do it alone, oh no.
No, you dont have to do it alone, oh no.
No, you dont have to do it alone, oh no.
No, you dont have to do it alone.
