

Just Off Turner, Nothing Hurts Like Knowing

I can almost feel your love, run out of me
I've been singin' old songs for days
maybe you can't fill this part of me
or maybe, maybe its time for a change.

Cause I got room for growing
Nothing hurts like knowing
yeah its hard to admit
maybe this one just won't fit
I can't keep from cryin'
but not from lack of tryin'.
