

Just Surrender, Is There No Truth In Beauty?

This is how its been, this is how it will be
and when you wake up with him, remember when it was me
and I always will be waiting for you
and I know that you will never see...that

I cant break away from these chains to my heart
the further you push me the closer you are
maybe I should try to let go
maybe I should try to walk away
theres nothing left to say, yeaheeyeah

Do you remember when, you used to laugh there with me
and now Ive become the joke, a punchlines all I will be
and I always will be waiting for you
and I know that you will never see ...that

I cant break away from these chains to my heart
the further you push me the closer you are
maybe I should try to let go
maybe I should try to walk away
theres nothing left to say

Youll be waiting for the rest of your life
just so you can finally hear me say
These words dont mean a thing but Ill say them anyway
...anyway, yeah

I cant break away from these chains to my heart
the further you push me the closer you are
maybe I should try to let go
maybe I should try to walk away
theres nothing left to say...but

I cant break away from these chains to my heart
the further you push me the closer you are
maybe I should try to let go
maybe I should try to walk away
theres nothing left to say, yeahheahh
cause I cant break away
