

# Just Surrender, Is There No Truth In Beauty?

This is how its been, this is how it will be  
and when you wake up with him, remember when it was me  
and I always will be waiting for you  
and I know that you will never see...that

I cant break away from these chains to my heart  
the further you push me the closer you are  
maybe I should try to let go  
maybe I should try to walk away  
theres nothing left to say, yeaheeyeah

Do you remember when, you used to laugh there with me  
and now Ive become the joke, a punchlines all I will be  
and I always will be waiting for you  
and I know that you will never see ...that

I cant break away from these chains to my heart  
the further you push me the closer you are  
maybe I should try to let go  
maybe I should try to walk away  
theres nothing left to say

Youll be waiting for the rest of your life  
just so you can finally hear me say  
These words dont mean a thing but Ill say them anyway  
...anyway, yeah

I cant break away from these chains to my heart  
the further you push me the closer you are  
maybe I should try to let go  
maybe I should try to walk away  
theres nothing left to say...but

I cant break away from these chains to my heart  
the further you push me the closer you are  
maybe I should try to let go  
maybe I should try to walk away  
theres nothing left to say, yeahheahh  
cause I cant break away
