

Justifide, Arise

Come Take My Heart Let It Break
I'll Go Down Let The Water Rise Above Me
Make Me New And Let The Old Self Fade Away
Take Me I Wanna Cross Over
Inside I Wanna Start Over
Let Me Come To You To Breathe Again
Take Me I Wanna Cross Over
Inside I Wanna Start Over
Take Me Down To Wash It All Away

I'll Walk Across The Line
Where Life And Death Divide
Send Me Through The Flame
Let Me Rise Anew Again

I Say Goodbye To The Old Man Inside
If I Want To Save My Life I'll Die
'cause If Everything Is Mine Than Nothings Yours
In Time I'll Lose Myself Again
So Come And You Break Me Wide Open And
Take The Control That I Use To Kill Myself
