## Justified, Like I Love You

Justin Timberlake feat. Clipse Like I Love You

Just something about you The way I'm lookin at you whatever You keep lookin at me You gettin scared now, right? Don't fear me baby, it's just Justin It feel good right? Listen

I kind of noticed, from one night From the club, your front face It's kind of weird to me Since you're so fine If it's up to me you'll face no change

If you smiling, that should set the tone Just be limber If you let go, the music should move your bones Just remember Sing this song with me

Ain't nobody love you like I love you You're a good girl and that's what makes me trust ya Late at night, I talk to you You will know the difference when I touch you

People are so phony Nosy cause they're lonely Aren't you sick of the same thing? They say so and so was dating Love you or they're hatin When it doesn't matter anyway Cause we're here tonight

If you smiling, that should set the tone Just be limber baby If you let go, the music should move your bones Baby just remember Sing this song with me

Ain't nobody love you like I love you You're a good girl and that's what makes me trust ya Late at night, I talk to you You will know the difference when I touch you

Yeah, you know I can make ya happy I could change your life If you give me that chance To be your man I won't let you down baby If you give me that chance To be your man Here baby, put on my jacket And then ...

Maybe we'll fly tonight (I just wanna love you baby) Yeah, yeah, yeah Maybe we'll fly tonight (I just wanna love you baby) Girl ...

(RAP) Ma, what chu wanna do? I'm in front of you Grab a friend, see I can have fun with two Or me and you put on a stage show And the mall kids, that's how to change low From them you heard "wow, it's the same glow" Look at me, I say "yeah, it's the same dough" We the same type, you my air of life You have sleepin in the same bed, er'night

Go rock with me, you deserve the best Take a few shots Let it burn in your chest We could ride down Pumpin N.E.R.D. in the deck Funny how a few words turn into sex Play this free, joint called "brain" Ma, take a hint Make me suerve in the lane The name Malicious And I burn every track Clipse and J. Timberlake Now how heavy is that?

Maybe we'll fly tonight (I just wanna love you baby) Yeah, yeah, yeah Maybe we'll fly tonight (I just wanna love you baby) Girl ...

Ain't nobody love you like I love you You're a good girl and that's what makes me trust ya Late at night, I talk to you You will know the difference when I touch you

Break this down

You know, I used to dream about this when I was a little boy I never thought it would end up this way, (drums) It's kind of special right? yeah You know, you think about it Sometimes people just destined Destined to do what they do And that's what it is Now everybody dance.
