

# Justin Bieber, All Around the World (feat. Ludacris)

You're beautiful, beautiful, you should know it x2  
I think it's time, think it's time that you show it  
You're beautiful, beautiful

Baby what you doing? where you at? where you at?  
Why you acting so shy? holding back, holding back  
We're not the only ones doing it like that, it like that  
So DJ bring that, bring that, bring that, bring that back

Cause all around the world people want to be loved  
Yeah, cause all around the world, they're no different than us  
All around the world people want to be loved  
All around the world, they're no different than us  
All around the world

You're crazy girl, crazy girl, you should know it x2  
Light it up, light it up, so explosive  
You're crazy girl, yeah, yeah

Baby what you doing? where you at? where you at?  
Why you acting so shy? holding back, holding back  
We're not the only ones doing it like that, it like that  
So DJ bring that, bring that, bring that, bring that back

All around the world people want to be loved  
Yeah, all around the world, they're no different than us  
All around the world people want to be loved  
All around the world, they're no different than us  
All around the world

[Ludacris]

Once again, the dynamic duo's back at it  
JB, Luda!

I love everything about you  
You're imperfectly perfect  
Everyone is itching for beauty  
But just scratching the surface  
Lost time is never found  
Can the DJ please reverse it?  
In life we pay for change  
Let's make every second worth it  
Any day can work if you're working with people saying you don't deserve it then don't give in  
Cause hate may win some battles but love wins in the end  
You shine just like the sun while the moon and the stars reflect your light  
Beauty revolves around you  
So you like that?

All around the world people want to be loved  
All around the world, they're no different than us  
All around the world  
(people want to be loved)  
All around the world  
(they're no different than us)  
All around the world  
(people want to be loved)  
All around the world  
(they're no different than us)  
All around the world
