

Justin Bieber, All Around the World (feat. Ludacris)

You're beautiful, beautiful, you should know it x2
I think it's time, think it's time that you show it
You're beautiful, beautiful

Baby what you doing? where you at? where you at?
Why you acting so shy? holding back, holding back
We're not the only ones doing it like that, it like that
So DJ bring that, bring that, bring that, bring that back

Cause all around the world people want to be loved
Yeah, cause all around the world, they're no different than us
All around the world people want to be loved
All around the world, they're no different than us
All around the world

You're crazy girl, crazy girl, you should know it x2
Light it up, light it up, so explosive
You're crazy girl, yeah, yeah

Baby what you doing? where you at? where you at?
Why you acting so shy? holding back, holding back
We're not the only ones doing it like that, it like that
So DJ bring that, bring that, bring that, bring that back

All around the world people want to be loved
Yeah, all around the world, they're no different than us
All around the world people want to be loved
All around the world, they're no different than us
All around the world

[Ludacris]

Once again, the dynamic duo's back at it
JB, Luda!

I love everything about you
You're imperfectly perfect
Everyone is itching for beauty
But just scratching the surface
Lost time is never found
Can the DJ please reverse it?
In life we pay for change

Let's make every second worth it

Any day can work if you're working with people saying you don't deserve it then don't give in
Cause hate may win some battles but love wins in the end

You shine just like the sun while the moon and the stars reflect your light

Beauty revolves around you
So you like that?

All around the world people want to be loved
All around the world, they're no different than us
All around the world
(people want to be loved)
All around the world
(they're no different than us)
All around the world
(people want to be loved)
All around the world
(they're no different than us)
All around the world
