

Justin Bieber, How To Love

You had a lot of crooks try to steal your heart
Never really had luck, couldn't ever figure out
How to love
How to love

You had a lot of moments that didn't last forever
Now you're in a corner tryna put it together
How to love
How to love

For a second you were here
Now you over there
It's hard not to stare, the way you moving your body
Like you never had a love
Had a love

When you was just a youngin' your looks were so precious
But now your grown up
So fly it's like a blessing but you can't have a man look at you for five seconds
Without you being insecure
You never credit yourself, so when you got older
It's seems like you came back ten times over
Now you're sitting here in this damn corner
Looking through all your thoughts and looking over your shoulders

See you had a lot of crooks try to steal your heart
Never really had luck, couldn't ever figure out
How to love
How to love

You had a lot of moments that didn't last forever
Now you're in a corner tryna put it together
How to love
How to love

For a second you were here
Now you over there
It's hard not to stare, the way you moving your body
Like you never had a love
Had a love

Uh..
I just want to take my time
I just want to do my thing
Maybe we press rewind
Maybe I buy that ring
We could grow old together
Just share our souls together
Find how to love, kiss and hug
How to roll together
I-I just need you by my side
M-Maybe we could be alright
I just want to hold you right
We can go into the night
You're the one I need.

See you had a lot of crooks try to steal your heart
Never really had luck, couldn't ever figure out
How to love
How to love

You had a lot of moments that didn't last forever
Now you're in this corner tryna put it together
How to love

How to love

For a second you were here
Now you over there
It's hard not to stare the way you moving your body
Like you never had a love
Had a love
2x

You had a lot of dreams that transformed to visions
The fact that you saw the world affected all your decisions
But it wasn't your fault
Wasn't in your intentions
To be the one here talking to me
Be the one listenin'
But I admire your popping bottles and dippin'
Just as much as you admire bartending and stripping
Baby, so don't be mad
Nobody else tripping
You see a lot of crooks and the crooks still crook

See you had a lot of crooks try to steal your heart
Never really had luck, couldn't ever figure out
How to love
How to love

You had a lot of moments that didn't last forever
Now you're in this corner tryna put it together
How to love
How to love

For a second you were here
Now you over there
It's hard not to stare the way you moving your body
Like you never had a love
Had a love

I just want you to know,

Yeahh, Ooh yeahh
