Oh, oh...oh, oh... fix all of your insecurities  
You know I want to give you everything you need  
I want to fix all of your insecurities

What are you worried for?  
Are you going to ask yourself about one  
Trying to open the door  
Coz you know that our friendship has only began  
I'm aware of all the secrets  
You ai't gonna tell me but I can read it  
I can see you swim bebe  
Caz you always jumping in the deep end

You know that I've got something offer you  
Once in your head  
All I want is fix all of your insecurities  
Oh, oh...oh, oh... fix all of your insecurities  
You know I want to give you everything you need
