

# Justin Bieber, Overboard ft. Jessica Jarrell

It feels like we've been out at sea  
So back and forth that's how it's seems  
Whoa and when I want to talk You say to me  
That if it's meant to be, it will be  
So crazy in this thing we call love  
The love that we got that we just can't give up  
I'm reaching out for you  
Tell me out here in the water and I

I'm overboard and I need your love  
Pull me up  
I can't swim on my own  
It's to much  
Feels like I'm drowning without your love  
So throw yourself out to me  
My life saver  
Life saver  
Oh life saver  
My life saver  
Life saver  
Oh life saver oh wow

Never understand you when you say  
Wanting me to met you half way  
Felt like I was doing my part  
Get bringing your coming up short  
Funny how these thing change  
Cause now I see

So crazy in this thing we call love  
And now that we got it  
We just can't give up  
I'm reaching out for ya  
Got me out here in the water and I

I'm overboard (overboard)  
And I need your love  
Pull me up (Pull me up)  
I can't swim on my own  
It's to much (It's to much)  
Feels like I'm drowning without your love  
So throw yourself out to me  
My life saver

It's supposed to be some give and take I know  
Your only taking and not given any more  
So what will I do? (So what will I do?)  
Cause I still love you. (Still love you Baby)  
You're the only one who can save me

I'm overboard  
And I need your love  
Pull me up (Pull me up)  
I can't swim on my own  
It's to much (It's to much)  
Feels like I'm drowning (I'm drowning baby I'm drowning) without your love  
So throw yourself out to me (Can't swim)  
My life saver  
Life saver  
Oh life saver  
My life saver  
(It's crazy, crazy crazy, yeah) Life saver  
Oh life saver  
Oh life saver

Oh life saver  
Oh life saver
