## Justin Bieber, Overboard ft. Jessica Jarrell

It feels like we've been out at sea So back and forth that's how it's seems Whoa and when I want to talk You say to me That if it's meant to be, it will be So crazy in this thing we call love The love that we got that we just can't give up I'm reaching out for you Tell me out here in the water and I

I'm overboard and I need your love Pull me up I can't swim on my own It's to much Feels like I'm drowning without your love So throw yourself out to me My life saver Life saver Oh life saver My life saver Life saver Oh life saver Oh life saver Oh life saver

Never understand you when you say Wanting me to met you half way Felt like I was doing my part Get bringing your coming up short Funny how these thing change Cause now I see

So crazy in this thing we call love And now that we got it We just can't give up I'm reaching out for ya Got me out here in the water and I

I'm overboard (overboard) And I need your love Pull me up (Pull me up) I can't swim on my own It's to much (It's to much) Feels like I'm drowning without your love So throw yourself out to me My life saver

It's supposed to be some give and take I know Your only taking and not given any more So what will I do? (So what will I do?) Cause I still love you. (Still love you Baby) You're the only one who can save me

I'm overboard And I need your love Pull me up (Pull me up) I can't swim on my own It's to much (It's to much) Feels like I'm drowning (I'm drowning baby I'm drowning) without your love So throw yourself out to me (Can't swim) My life saver Life saver Oh life saver My life saver (It's crazy, crazy crazy, yeah) Life saver Oh life saver Oh life saver Oh life saver Oh life saver
