

# Justin Bieber, Ride With You

Ride, I-I Wanna Ride  
Ride I Wanna Ride  
Ride, I-I Wanna Ride

When I Wake Up, I First Think Of You  
I Really Like You, And I Hope You Like Me Too  
The Sky Is The Limit For Me And You  
I Could Be Your King, But You Could Be My Boo

We Could Go Anywhere, To The Moon And Through The Air  
Go To The Movies Or The Mall, Baby I Don't Care  
Yeah This Is True, Wanna Be With You  
And I Just Wanna Ride With You

I Wanna Ride  
Yeah I-I Wanna Ride  
(By The Ocean Side)  
I Wanna Ride  
I-I Wanna Ride With You  
I-I Wanna Ride  
I Wanna Ride  
I Just Wanna Ride With You

Whenever I'm With You, You Make Me Feel Special  
And All My Problems, They Go Right Through The Door  
I Love It When You Call Me Baby  
(Baby)  
It's You I Adore  
(Adore)

We Could Go anywhere To The Moon, And Through The Air  
Go To The Movies Or The Mall, Baby I Don't Care  
Yeah This Is True, Wanna Be With You  
And I Just Wanna Ride With You

I Wanna Ride  
Yeah I-I Wanna Ride  
(By The Ocean Side)  
I Wanna Ride  
I-I Wanna Ride With You  
I-I Wanna Ride  
I Wanna Ride  
I Just Wanna Ride With You

So Lets Go Right Now  
Go Slow Right Now  
Let The Base Flow Out With That Boom Boom Pow  
So Lets Go Right Now  
Go Slow Right Now  
Let The Base Flow Out With That Boom Boom Pow

I Wanna Ride  
Yeah I-I Wanna Ride  
I Wanna Ride  
I-I Wanna Ride With You  
I-I Wanna Ride  
I Wanna Ride  
I Just Wanna Ride With You  
I Wanna Ride

Yeah I-I Wanna Ride  
I Wanna Ride  
I-I Wanna Ride With You  
I-I Wanna Ride  
I Wanna Ride  
I Just Wanna Ride With You  
I Wanna Ride
