Couse you're the only one, cause I don't trust these women
I don't, I don't trust these women, Cause they might have me slipping
You're the only one
I don't trust these women, cause they might have me slipping
Couse you're the only one, cause I don't trust these women
I don't, I don't trust these women, Cause they might have me slipping
Couse you're the only one

Drizzy Drake, check me out
Coming live from the mothafucking north side
Kick game, run game, run it real good
But never ever have my bitches sitting courtside
Same nigga, that you knew way back when,
You acting like it's somebody you don't know
Tell me, how the fuck we supposed to stay friends,
When you got a bunch of feelings that you don't show
I could tell, I could tell, I could tell,
Certain people don't like me no more
New shit don't excite me no more,
Guess they don't really make'em like no more
Uh, you can look me in my eses and see I ain't myself
Cause if ya what I created then I hate myself but still

Let them girls in and tell em' to all leave their cell the phones on the table where we see em'

I'm all day with it man, AM to the PM Nigga's hattin', I just wish they would say it all when I see em' all

That's that shit that drives me crazy

And it's all that I've been getting lately And it's probably why I'm scared to put the time in Women wanna fuck like they're me and I'm them Looking for some things that I think that I can find in you, in you
