

# Justin Bieber, Unstable (ft. The Kid LAROI)

Sometimes i think  
I overthink  
And i start to feel anxiety  
There were Times i couldn't even breathe  
But you never once abandoned me  
No you never!

I tried to scare tou  
Scare you away  
Showed you the door  
You adore me anyway  
When i was broken in pieces  
You were my peace of mind  
You were my peace od mind

You loved /3x  
Me when i was unstable  
Never judge /3x  
Me when i was unable to love myslef  
To trust mydself  
You loved /3x  
Me when i was unstable
