

Justin Kawika Young, Aloha Spirit

It's the spirit that makes these islands great.
Cultures blending, children made of more than just one race.

CHORUS:

Take this message to whoever will hear it.
Keep alive the Aloha Spirit (keep alive the Aloha Spirit)!

Spread some love to people all around.
Lift your eyebrows and say "hi"; and lose that ugly frown.

CHORUS

INSTRUMENTAL

Life's too short to live in fear so long.
You're running scared just because you looked at someone wrong.

CHORUS

'Cause we're all family in the eyes of God above.
So help your brothers and sisters out when they're in need of love.

CHORUS

'Cause we're all family in the eyes of God above.
So help your brothers and sisters out when they're in need of love.

CHORUS (TO FADE)
