

# Justin Nozuka, Oh Momma

give me that line again,  
he's not coming home again tonight,  
mamma wipe those tears from your cheeks,  
it don't make no difference now,  
remind me one last time that you won't never ever go,  
oh the whales can't swim without the tide,  
and the birds won't fly without the stars in the sky

i can't feel without your touch,  
i can't dream without your smile,  
i can't live without your love (ohhh momma)  
i cannot fall without your hand,  
i can't cry without your arms,  
i can't live without your love (ohhh momma)

give me that song again,  
hold me closer than you ever did before,  
when i've given all, i'll give you more,

we'll keep on floating to the shore,  
you can take a storm and turn it all around,  
and then the sun shines through,  
oh the story of your life,  
we have all been designed,  
but as real on the outside

i can't feel without your touch,  
i can't dream without your smile,  
i can't live without your love (ohhh momma)  
i cannot fall without your hand,  
i can't cry without your arms,  
i can't live without your love (ohhh momma)

see when it all comes back around,  
and he still cant figure out how he let you get away,  
just keep your head up high,  
and know it's better off that way
