

Justin Phillip, Get Over You

Get Over You

This song for you baby

To tell you how I feel

You know just hear me out

Here it goes

Everybody talking bout me

Saying I dont know

What I want for myself but all I know is that I want you

Nothing makes me happy like being here with you

Im reminiscing on things we used to do

But I gotta get

Over you

I gotta get

Over you

I got to get

Over you

I gotta get but thats just so hard to do

Over you

I got to get

Over You

I got to get

Over you

I got to get but thats just so hard to do

See Im so confused

My mind is still with you

Even though i've got a new girlfriend but

If I could go back and change what happened in the past

Then I think Id still choose you

But I gotta get

Over you

I gotta get

Over you

I got to get

Over you

I gotta get but thats just so hard to do

Over you

I got to get

Over You

I got to get

Over you

I got to get but thats just so hard to do

I got to let you go

I cant take it no more

I gotta get you out of my mind my mind

Oohh I got to let you go

I cant take it no more I got to get you out of my mind

Gotta gotta get over you

Gotta gotta get over you

Gotta gotta get over you

But thats just so hard to do

Gotta gotta get over you

Gotta gotta get over you

Gotta gotta get over you

But thats just so hard to do

Over you

I gotta get

Over you

I got to get

Over you

I gotta get but thats just so hard to do

Over you

I got to get

Over You

I got to get

Over you
I got to get but thats just so hard to do
Over you
I gotta get
Over you
I got to get
Over you
I gotta get but thats just so hard to do
Over you
I got to get
Over You
I got to get
Over you
I got to get but thats just so hard to do
