

# Justin Timberlake, Cry Me A River (Official Remix)

(feat. 50 Cent)

[50 Cent]

Yeah.. y'supposed to have a remix. that's how you make one hit record into two.. hahaha(50 cent)

I remember when you used to love me, you used to kiss and hug me, I looked into your eyes and g  
time I let you hold me, how I ain't feel you slippin' away..

[Justin Timberlake]

You were my sun(Whooh!)

You were my earth(Uh huh!)

But you didn't know all the ways I loved you, no(G-G-G-G-G-Unit!)

So you took a chance

And made other plans(Yeah!)

But I bet you didn't think that they would come crashing down, no(Come on!)

You don't have to say, what you did,

I already know(Hahaha..), I found out from him

Now there's just no chance, for you and me, there'll never be

And don't it make you sad about it

You told me you loved me

Why did you leave me, all alone

Now you tell me you need me

When you call me, on the phone(Uh huh, Uh huh)

Girl I refuse, you must have me confused

With some other guy(Yeah!)

Your bridges were burned, and now it's your turn

To cry, cry me a river

Cry me a river-er

Cry me a river

Cry me a river-er, yea yea(Ooooooow!)

I know that they say

That somethings are better left unsaid(Uh huh!)

It wasn't like you only talked to him and you know it

(Don't act like you don't know it, yeah)

All of these things people told me

Keep messing with my head

(Messing with my head)

You should've picked honesty

Then you may not have blown it

(Yea..)

You don't have to say, what you did,

(Don't have to say, what you did)

I already know(haha!), I found out from him

(I already know, uh)

Now there's just no chance, (the chorus now..)for you and me, there'll never be

(No chance, you and me)

And don't it make you sad about it

You told me you loved me

Why did you leave me, all alone

(All alone)(50 Cent!)

Now you tell me you need me

When you call me, on the phone

(When you call me on the phone)

Girl I refuse, you must have me confused

With some other guy

(I'm not like them baby)

Your bridges were burned, and now it's your turn

(It's your turn)
