

# Justin Timberlake, Love Don't Love Me

5 foot 9  
She's got legs for days  
(For days)  
Green eyes that cut like a knife  
And her own little sexy sway  
No, she don't waste no time  
Moving to the floor  
(To the floor)  
And when she starts to move she had me  
Calling your mama saying you wanna go home

Baby, tell me  
Why can't I have you  
Why you running girl  
I just wanted to love you

[Chorus:]  
I love you  
Baby, I love you  
I love you  
Baby, I love you  
But I guess you don't have time for me  
I want you  
Baby, I want you  
I want you  
Baby, I want you  
But I guess love don't love me, no

It's ok to be scared  
Cause this girl is super bad  
She will probably be  
The best thing that you never had  
Don't waste no time  
(Don't waste your time)  
Trying to make her your own (yeah, yeah)  
'Cuz what she says goes  
And like Boyz II Men said this is the end of the road

Baby, tell me  
Why can't I have u  
Why u running girl  
I just wanted to love u

[Chorus]

Baby u said u loved me  
But u led me on  
Left me feeling strong  
About you  
But I can't take no more, so I'm gonna leave u alone  
Girl I'm gone girl I'm gone OH!

What's it gonna take to get u to love me baby?  
'Cuz I can't take it anymore  
(Take it no more!)  
And ya gonna be mine for sure, ya know [2x]

[Chorus x2]

I love u  
Baby, I love u  
I love u  
Baby, I love y  
But I guess u don't have time for me

I want u  
Baby, I want u

[Justin Speaking]:  
You know what?! Screw You!  
But I guess love don't love me
