

# Justin Timberlake, Take It From Here

Sometimes, sometimes the world gets hard

Oh na na na  
I'm gonna take it from there girl  
Don't you worry

I wanna be your lake, for your bay  
And any problems that you have  
I wanna wash 'em away  
I wanna be your sky  
So blue and high  
And everytime you think of me  
I wanna blow your mind

I wanna be your air  
So sweet and fair  
So when you feel that you can't breathe  
Ma, I'll be there

I wanna be your answer, all the time  
When you see how I put your life before mine  
With no question

When all the love feels gone  
And you can't carry on  
Don't worry, girl  
I'ma take it from here  
Just as sure as the sun will shine  
Every morning, everytime  
Don't worry, girl  
I'ma take it from here

I wanna hold your hands  
Review all your plans  
I wanna make sure everyone of your dreams will stand  
I wanna be your Broadway show on review  
(Why)  
So I can act out how God was when he made you  
I wanna be your lighthouse when you get lost  
I'll light a bright and shining path to help you across  
I wanna be your mother, wait  
See what I see  
And when you see that can't nobody hold you like me  
Cause I love you

When all the love feels gone  
And you can't carry on  
Don't worry, girl  
I'ma take it from here  
(Take it from here, baby)  
Just as sure as the sun will shine  
Every morning, everytime  
Don't worry, girl (no no)  
I'ma take it from here

And when there's no one there to hold  
And you realize the world is cold  
Don't worry, girl  
I'ma take it from here  
That's what I'm gonna do  
Just as sure as the sun will shine  
Every morning, everytime  
(Don't you worry, baby girl, baby girl)  
Don't worry, girl

(Baby girl)  
I'ma take it from here  
(I'll take you wherever you want)

Give me one reason why we should not be leaving  
This world is so deceiving, the time is now  
Let's fly away speeding  
Through the Garden of Eden  
Where all the sweet breathing of love surrounds

When all the love feels gone  
And you can't carry on  
Don't worry, girl  
I'ma take it from here  
Just as sure as the sun will shine  
Every morning, everytime  
Don't worry, girl (no no)  
I'ma take it from here

Give me one reason  
Why we should not be leaving  
This world is so deceiving  
The time is now  
Let's fly away speeding  
(We'll fly away)  
Through the Garden of Eden  
Where all the sweet and breathing  
Of love surrounds  
(Let's get away)

When all the love feels gone  
And you can't carry on  
Don't worry, girl  
I'ma take it from here  
Just as sure as the sun will shine  
Every morning, everytime  
Don't worry, girl  
I'ma take it from here  
(I got somethin' I wanna tell ya baby)

Love ain't always the way they write in books  
(No, no)  
See there's the good guys  
And also heartbreak crooks  
Your hearts the real book  
Just take a look inside  
'Cause it's a colorful illustrated guide

So there you go  
Don't worry  
I'll be the one  
To help you weather the storm  
I'll be there mami  
No matter what time  
No matter what place  
You can always count on me  
I'll take it from here
