

Justin Timberlake, That Girl

___ mile away
It running through my mind all day, baby
They say I'm crazy, cause ?
That I can't be with you, but I don't hear a word they say

Cause I'm in love with that girl
Don't be mad at me
I'm in love with that girl
So don't be mad at me
So what?, so what?
Put it down ___ guess what
I'm in love with that girl
And she told me, she's in love with me

When fell in love ___
No one's there to catch us when we fell from heaven that day

___ Since I saw your face, I've been ? just to say

Cause I'm in love with that girl
Don't be mad at me
I'm in love with that girl
So don't be mad at me
So what?, so what?
Put it down ___ guess what
I'm in love with that girl
And she told me, she's in love with me

My pretty baby
Always be my baby, baby, baby
It's so crazy
How you became my baby, baby, baby
A little dizzy
Livin' my life without my baby, baby, baby
My pretty baby
Don't you know, you'll always be my baby, baby, baby

Don't it seem like these days
Everybody's got something to say

I don't really care _

Cause I'm in love with that girl
Don't be mad at me
I'm in love with that girl
So don't be mad at me
So what?, so what?
Put it down ___ guess what
I'm in love with that girl
And she told me, she's in love with me

I'm in love, I'm in love with that girl
I don't care what people say
Cause I'm in love with that girl
