

Justin Timberlake, You Taught Me To...

You never know what you've done for me
What your faith in me
Has done for my soul
You'll never know the gift you've given me
I'll carry it with me yeah yeah
Through the days ahead I'll think of days before
And you make me hope for something better and made me reach for something more

You taught me to run you taught me to fly
Helped me to free the me inside
Helped me hear the music of my heart
Helped me hear the music of my heart

You opened my eyes
You opened the door
To something I've never known before
And your love is the music of my heart

You were the one always on my side (always on my side)
Always standin by (always standin by)
Seein me through
You were the song that always made me sing
I'm singin this for you
Everywhere I go I think of where I've been
And of the one who knew me better than anyone ever will again

You taught me to run you taught me to fly
Helped me to free the me inside
Helped me hear the music of my heart
Helped me hear the music of my heart

You opened my eyes
You opened the door
To something I've never known before
And your love is the music of my heart

What you taught me only your love could ever teach me
You got through when could reach me before
Cause you always saw in me all the best that I could be
It was you who set me freeeeeeee

You taught me to run you taught me to fly
Helped me to free the me inside
Helped me hear the music of my heart
Helped me hear the music of my heart

You taught me to run you taught me to fly
Helped me to free the me inside
Helped me hear the music of my heart
Helped me hear the music of my heart

You opened my eyes
You opened the door
To something I've never known before
And your love is the music of my heart

Is the music of my heart
