

Justincase, Savannah

And I don't mean to make you cry
But I can't stand to see you go
And I don't mean to make you mad
I just can't stand to see you go

Oh Savannah
Won't you pardon me
Babydoll, I wanna feel you swim
You look so pretty in the morning sunrise
You smell like baby's breath
In the evening light

Chorus:
I won't leave you
Until the sky falls down on me
And I can't quit you babydoll
I'm addicted to you

Oh Savannah
You're just like a dream
Oh Savannah
Can I have some more
You look so pretty in the morning sunrise
And you smell like baby's breath
In the evening light

Chorus:
