

Justine&Sonia, The Certain way

The way I found,
Takes me through the obstructions
I cant turn back,
And I dont want it,
Im strong, Ill manage to go through,
I know, Im sure of it,
When I fall down,
Ill get up and go further,
I wont give up,
Im like that,
Ill get there when I always wanted.
The way is long,
But I know that dreams come true,
Im strong,
If I fall down,
It doesnt matter,
Because I will get up and go further,
I dont give up easily,
Ill try till the end,
Till Ill be fulfilled,
I dont want a pity, wounds will disappear,
And my determined fight and pride will stay.
This certain way has its end,
Mine will end when
I fulfil my dreams and pride,
I know that I can, I believe in myself,
When I fulfil my soul,
Ill sit in the armchair and smiling Ill say
Im happy,
Im not one of those
Whore dreaming of guys winning the heart,
Im dreaming of show you me.
